* The *Republican Argus* (Northumberland), reprinted in the *Aurora* (19 November 1806) indicated Francis McClure (Allegheny) was a Conventionalist, while the *Guardian of Dauphin* - copied by the *Gazette of the United States* - reported him as a Quid. This appears to be a typographical error in the *Guardian*, since he was reported in other years as a Conventionalist.

Constitutionalists have been identified by party in as far as possible.
